

MISION CARIBE

MINI-MAY EDITION

WITH SO MUCH HAPPENING AT MISION CARIBE THIS MONTH, WE WANTED TO SHARE WITH YOU SOME OF THE DETAILS AS A TEASER TO OUR MAY/JUNE '11 EDITION OF OUR NEWSLETTER. ENJOY THIS SNEAK PEAK!

Long Time No See!

After 6 long years, our good friend Wayne Zimmerman finally found his way back to Mision Caribe, accompanied by his group of 13 from **Bailey Christian Church** in Bailey, Michigan. We were so excited to host him and his group as they built a bathroom suite in La Victoria, consisting of two showers and two toilets, lead lessons for the School Outreach Program and took the kids from Villa Franca to Aqua Splash water park for the very first time. We were so blessed to see this team go above and beyond what they were asked to do and share. God worked miracles as 3 lives were brought to Christ in Villa Franca's Friday Night Service. Thanks to all the members of Bailey CC for allowing them to come and for your continued support!

Summer is Here!

Our interns are starting to arrive and teams are filling the house! This month we welcomed Luke Roesler and Stephanie Morris to Mision Caribe from **Southern Acres Christian Church**. Luke will be staying with us helping until the end of August. We are very grateful for the work they did. As a special request, we are asking you to pray for our summer. We are booked solid and are very

excited to host our teams this year. Please pray for the Hondurans, travel, open hearts, willingness to serve and for our Mision Caribe Staff as we venture out and lead teams.

Adios Markitos!

A dear friend, Mark Caler, is going to be leaving us for a new life adventure in Idaho. We are very grateful of his service here in Honduras the past 6 years and we will miss him terribly. We know that God has great things in store for him and we were very happy to be a part of his journey!

Adios Mark! We love you!

Perdon/Forgiveness

Through out the year we host guest speakers for the Bible Institute. We were very proud to have Mark Labonde and his wife Jan, from **Vineyard Community Church in Lexington, KY**, tour San Luis, San Lorenzo, and El Shaddi with a seminar on forgiveness. The topic was well received by many that heard it. There were people who decided to make a change in their lives by going through the forgiveness process. It truly touched the lives of the Hondurans and we are very grateful for his willingness to come serve!
